PREFACE TO THE PENNSYLVANIA ARCHIVES, SIXTH SERIES.

In the Preface to the Fifth Series the Editor outlined the scheme to be followed for the preparation of material of this Series. It was there stated that the work of classifying the Military Papers would be continued and all the material relating thereto included in one index, forming the Fifteenth Volume of the Sixth Series. The lack of a sufficient index has made the giving of information concerning the Military Records a most difficult and trying labor. When it is understood that from twenty-five to fifty letters a week are received at the State Library alone asking for such information, the practical value of such an index is apparent. In the present Series Volume One is given up to Philadelphia City and County Military Papers; Volume Two Contains Washington, Westmoreland and York County Military Papers; Volume Three, the Military Papers from 1783-1790 relating to Bedford, Berks, Bucks, Chester, Cumberland, Dauphin, Franklin, Huntingdon, Lancaster, Luzerne, Montgomery, Northampton and Northumberland Counties; Volume Four Philadelphia City Military Papers, 1783-1790, together with those of Philadelphia, Washington, Westmoreland and York Counties; Volume Five contains Pennsylvania Military Papers from 1790 to 1800; Volume Six the Marriages, Baptisms and Marriage Licenses from 1734 to 1834; Volume Seven, Papers relating to the War of 1812-14; Volume Eight, the Troops under the command of Colonel Fenton, Colonel Rees Hill, Generals Harrison and Crook, Colonel Rush and Major Wersler and also those who rendezvoused at Camp DuPont, Erie, Lancaster, Marcus Hook and York. Certain Miscellaneous Rolls are also included; Volume Nine contains Miscellaneous Papers of the War of 1812-14 together with a List of the Medallists and Pensioners and the expenditures of the State of Pennsylvania on account of the U. S.; Volume

Ten is given up to the expenditures of the State of Pennsylvania on account of the U. S. during the Mexican War; Volume Eleven is composed of Election Returns; Volume Twelve, the Forfeited Estates from Allegheny County to Philadelphia, inclusive; Volume Thirteen the Forfeited Estates of other Counties; Volume Fourteen contains a very interesting Memorandum Book of Dr. John Ewing with an account of his Journey to settle the Boundary of Pennsylvania in May, 1784. There is also an Order of the March of Hand's Brigade from Wyoming to Tioga and a Letter Book respecting His most Christian Majesty, 1780, and Miscellaneous Petitions of Early Date, and several important Orderly Books.

The significations of the various letters contained in brackets gives the Titles of Papers in this Series and are as follows:

a—Pennsylvania Archives, Second Series.

b—Pennsylvania Archives, Third Series.

c—Original Muster Rolls in Division of Public Records.

d—Original Muster Rolls from Historical Society of Pennsylvania.

e—Pennsylvania Magazine of History and Biography.

f—Certified Copies from Department at Washington, D. C.

g—Papers from the Historical Society of York County.

h—Papers received from Miss Caroline Hays of York, Pa.

The Editor wishes to express his appreciation of the sympathy and good-will of the Hon. Robert McAfee, Secretary of the Commonwealth, under whose direction the Archives were printed and also to the many contributors who have allowed their original material to be included in these important State Records.
